

ATA Membership Benefits

www.txappraisers.org

Founded in 2006, the Association of Texas Appraisers was formed to provide reasonably priced, convenient continuing education and professional networking opportunities for real estate appraisers and other interested parties within the State of Texas.

Membership in ATA will provide you with opportunities to:

- Obtain affordable education in 6 locations yearly (1/2 off the non-member price)
- Affiliate membership status in the National Association of Appraisers (a \$50 value)
- Stay abreast of industry changes
- Network with peers and other appraisal related professionals
- 15% Discount on Disto Products
- Discounts on a la mode events
- Hear from TALCB leadership
- Apply for appraisal education scholarships
- Discounts on Appraisers Business Companion

ATA is here for you, whether you are a residential or commercial appraiser. No matter where your expertise in appraising takes you, ATA is here to provide information, professional opportunities, continuing education, publications and networking opportunities to keep you at the top of your field. Membership in ATA is an invaluable career asset.
