

# Sheraton Georgetown Hotel and Conference Center

## PROPERTY AMENITIES

We are committed to making the amenities at our property available to you while complying with local regulations, including guidance on reducing capacity in public spaces and reinforcing social distancing. The modifications we have made include:

- **Overall Operations**
  - **Effective July 3rd all guests (ages 2+) and employees are required to wear face coverings in indoor public spaces, per Texas State Ordinance and Marriott Policy.** Please provide your own face covering to comply with this ordinance. Masks will be available for purchase of \$2 at the Front Desk for your convenience.
  - Housekeeping services are offered only on request for occupied rooms.
  - Single serve coffee makers are available on request.
  - The Sheraton Club Lounge is currently closed for breakfast and evening hors d'oeuvres service. Snacks and non-alcoholic beverages are available on a self-serve basis.
- **Restaurant Hours and Operations:**
  - Counter service only 7 days per week for breakfast and lunch, 7am-4pm;
  - Full service for dinner on Thursday, Friday and Saturday from 4pm to 9pm.
  - Texas Governor's Executive Order has closed Jack's Lounge until further notice.
- **Fitness Center:**
  - Social distancing and wipe all equipment before and after use
- **Pool:**
  - Due to the Governor's Executive Order limiting occupancy in public pools, the maximum number of guests allowed in the pool area at one time is 35. The hotel's leadership and Loss Prevention team will monitor pool occupancy and limit entry when necessary to comply with the Order.

For our Marriott Bonvoy members: We are committed to deliver the Marriott Bonvoy benefits for your membership level. Thank you for understanding in cases where we may have to offer an alternative. For questions or to get the most up to date information on alternative offerings, please contact us directly via mobile chat, email or call the hotel directly.
